THE BARBIE® STORY

The moment Barbie® doll was introduced to the world, an icon was born. Debuting in 1959 as "The Teenage Fashion Model," Barbie allowed girls to experience fashion play and to explore various dreams, fantasies and aspirations without ever leaving home.

Over the years, Barbie has always been a reflection of the times whether following style trends or blazing her own fashion trail. Today, Barbie is the most popular doll in the world. She is a worldwide fashion muse and pop culture icon for girls of all ages. *The Barbie™ Collection* is proud to continue the tradition of superb quality and attention to detail that began over 50 years ago.
